Dear Ms. Williams:

The Board of Social Work Examiners met Friday, March 20th, 2015 and reviewed and discussed the Hearing Officer's recommendation from the hearing held on January 9, 2015 in your absents. The Board voted to revoke your license and impose the restriction of not allowing you to request reinstatement for a period of 5 years as per the *Administrative Code 850-X-10-.17 of the Alabama Board of Social Work Examiners and Alabama Code 34-30-4* . After the 5 year period should you desire to request reinstatement you must provide proof of completing the substance abuse program under a qualified substance abuse professional without a relapse during the five year period.

We are required to report disciplinary actions on our website and to Public Protection Databank (PPD) with the Association of Social Work Board (ASWB) who in turn report as an agent for the Board to Healthcare Integrity and Protection Databank (HIPDA).

Should you have any questions you may reach me at the telephone number or address listed above.

Sincerely,

A handwritten signature in cursive script that reads "Brenda W. Holden".
