Re: Case No: No. 17-5200B-03

Dear Ms. Dawson:

The Board of Social Work Examiners met on Friday, February 10, 2017. At this meeting they reviewed the Settlement Agreement sent to you to satisfy the complaint the board received against your social work practice. The Board voted to accept the agreement.

For this reason, you are now required to get an assessment completed by a professional alcohol/drug treatment provider. A copy of this assessment must be supplied to the board as well as proof of the follow up treatments. The treatments must continue until the professional counselor agrees that treatment and recovery are complete. Quarterly reports must be made to the board from the provider beginning in March 2017.

A copy of the signed agreement is enclosed. Should you have any questions you may reach me at the telephone number or address listed above.

Sincerely,

Brenda W. Holden
Executive Director
