Work Schedule

Monday - Friday: 8 AM - 5 PM

Job Description

A Psychometrist is a clinical position that entails interaction with patients, their families, and their caregivers. They will administer and score standardized and non-standardized tests of cognitive function including attention, memory, language, visuospatial/constructional ability, executive function, mood, and personality for the purpose of assisting in the diagnosis of neurobehavioral disorders. They will help establish an appropriate testing environment, score all tests administered, and prepare an accurate summary of scores and behavioral observations for the staff neuropsychologist.

Job Requirements

EDUCATION AND EXPERIENCE:

- Master's Degree in psychology required. Work experience may NOT substitute for education requirement.
- Preferred: Prior experience with neuropsychological testing preferred.

TRAITS & SKILLS:

Must be self-directed / self-motivated; must have good communication and interpersonal skills. Must be able to: (1) perform a variety of duties often changing from one task to another of a different nature without loss of efficiency or composure; (2) accept responsibility for the direction, control and planning of an one's own work; (3) work independently; (4) recognize the rights and responsibilities of patient confidentiality; (5) convey empathy and compassion to those experiencing pain, physical or emotional distress and/or grief; (6) relate to others in a manner which creates a sense of teamwork and cooperation; (7) communicate effectively with people from every socioeconomic, cultural and educational background; (8) exhibit flexibility and cope effectively in an ever-changing, fast-paced healthcare environment; (9) perform effectively when confronted with emergency, critical, unusual or dangerous situations; (10) demonstrate the quality work ethic of doing the right thing the right way; and (11) maintain a customer focus and strive to satisfy the customer's perceived needs.

About UAB Medicine

Located in Birmingham, UAB Medicine is one of the top academic medical centers in the United States and Alabama's largest single-site employer. In addition to providing health care services for more than 1.6 million patients annually, we are committed to educating medical professionals and advancing medical science through research. UAB Medicine is anchored by UAB Hospital, which has been named one of *U.S. News & World Report's* Best Hospitals, ranked as America's No. 1 Best Large Employer in 2021 by *Forbes* magazine, and among the 150 Top Places to Work in Healthcare by *Becker's Hospital Review*, and we received a Top Ten Consumer Choice Award from National Research Corp.

UAB Medicine was recognized as a Magnet-designated organization for the fifth consecutive time by the American Nurses Credentialing Center Magnet Recognition Program® and is only the 21st hospital worldwide to receive this designation five consecutive times. UAB Medicine also was designated a Health Care Equality Leader by the Human Rights Campaign Foundation for demonstrating leadership in LGBTQ health care and employment. We offer a competitive benefits package, 100% tuition assistance at UAB, and an exciting atmosphere for starting or growing your career.
